

RESOURCE SHARING FOR CAA TRAVELING TEAMS

COLONIAL ACADEMIC ALLIANCE

As part of our commitment to academic excellence, the Colonial Academic Alliance, in conjunction with the Colonial Athletic Association, has developed a **resource sharing** program to assist traveling teams.

When you travel to another CAA campus, and your student athletes need academic resources, such as:

- **A dedicated room for study hall**
- **Proctors for tests or exams**
- **Tutoring assistance**
- **Computer access**
- **A common password for wireless access**
- **Access to library or other academic resources**

Contact the staff members listed on the other side and they will make arrangements as necessary.

The 12 CAA institutions are committed to our athletes' academic success.

The Colonial Academic Alliance develops, promotes, and facilitates collaborative programs and resource sharing to enhance academic quality and institutional effectiveness throughout our member institutions.

Our programs focus on six strategic areas:

International Programs	Undergraduate Research
Assessment Initiatives	University Life
Alumni Relations/Advancement	Resource Sharing
